

Composite Fees 2018

FCJ College was established in Benalla in 1900 by the FCJ Sisters at the invitation of Dean Davy to provide Catholic Education, according to the precepts, teaching and practices of the Catholic Church. All families are welcome to enrol their children at FCJ College Benalla. The financial inability to pay annual school fees in full should never be a reason for the non-attendance of a student who otherwise meets the criteria for enrolment at FCJ College. All families are required to make a financial contribution to the college in the payment of annual school fees.

FCJ College works in partnership with our families to formalise an agreed payment plan to meet individual family financial circumstances. If you wish to discuss your school fees please contact Mark McDonald or Minnie Askew at the college office.

FCJ College endeavours to establish fees that are:

- Are fair and equitable
- Allow the College to maintain an effective, quality curriculum;
- Provide families with suitable options for payment;
- Include all costs in one annual fee

Year 7 - \$2990	Year 9 - \$4190.00	Year 11 - \$4190.00
Year 8 - \$4190.00	Year 10 - \$4190.00	Year 12 - \$4190.00

Family Discount for children attending FCJ College	10% for 2 children on total fees billed.	25% for 3, 40% for 4 children on total fees billed.
---	---	--

Composite School fees are made up of the following 4 components:

- 1. Tuition Fees:** As a non- government school, FCJ College receives 78% of its budgeted income from government funding therefore the 22% balance must be raised through school fees. This fee is a per annum charge and billed in full at the start of the school year or upon commencement at the College. This fee is required to meet salaries, operational expenses, buildings & grounds maintenance and capital development.
- 2. Subject Levies:** Subject levies are crucial to the day to day running of the school and the delivery of the curriculum. These levies represent the resources needed to deliver the curricula at each year level. Subject levies also cover items such as library access, provision of learning materials, sport and leisure activities, purchase of equipment, annual magazine, and other consumable resources required both in and out of the classroom. Vocational Education and Training (VET) fee of \$200 per subject for each student enrolled in (VET) is billed separately in term one annually.
- 3. Camps and Excursion:** All camps and excursions are mandatory at all year levels. These fees will cover the full cost of all the major camps, retreats and excursions planned for the year level during the year. The only exception is for students studying VCE Outdoor Education & Environment Studies which costs \$300 per student and is billed separately in term one annually.
- 4. Laptop & IT Resources Fee:** This fee helps to support the provision of laptop and ICT resources which are updated regularly and are essential for their education in today's world of developing Information Technology. This fee covers the cost for each student to use FCJ College's Information Technology facilities. It covers internet access, e-mail and e-learning facilities, printing (black & white & colour) and other resources required to maintain our present level of computers and the accompanying software.

***Payment of \$220 is due prior or on collection of the laptop at 'Bootcamp'. This payment will also constitute the 1st instalment of the composite fee for students in year 7 & 10 in 2018.**

Billing Process

Prior to start of each school year, all families will receive:

- an invoice showing the total fees for the 2018 Year
- Payment Election Form where families are asked to indicate their preferred method of payment and the frequency of payment. **This form is to be returned to the college office by Wednesday 20th December 2017.**

Financial Assistance

There is a range of financial incentives that families may be able to access to assist with the cost of educating their children. These include:

- **Camps, Sports & Excursions Fund (CSEF):** Families holding a valid means-tested concession card (health care card) are eligible to apply. Schools will receive \$225 for each eligible secondary student per year between years 7-12, the funding is tied to the student and can be applied towards camps, sports and excursion levies billed to families in annual composite school fee accounts.
- **Conveyance Allowance:** Students who travel a distance of more than 4.8 kilometres between the point of entry to the property/residence and the nearest bus stop, are eligible to claim a Conveyance Allowance. Please enquire at the College Office for an application form. If your child requires government bus travel to school for 2018 and does not currently travel to school by bus, or you have moved, please contact the Bus Co-ordinator John Hanrahan c/- Benalla P-12 College on 5761 2777. For the Euroa bus please contact Minnie Askew, Finance Officer at FCJ College Benalla.

Special Circumstances: In cases where special/difficult financial circumstances exist, parents/guardians are invited to contact the Principal or the Business Manager for an appointment to discuss ways of alleviating this financial burden. Parents and guardians are strongly urged to make such arrangements rather than allow debts to accumulate with the School. These arrangements are to be negotiated on an annual basis. All financial arrangements are kept strictly confidential.
