

FCJ COLLEGE

CHILD SAFE: FAILURE TO DISCLOSE POLICY

Ratified by the FCJ College Council on 14th June 2016

To be reviewed in 2019

Responsibility of the Principal

COMMITMENT TO CHILD SAFETY

All students enrolled, and any child visiting FCJ College, have a right to feel safe and be safe. The well of children in our care will always be our first priority and we have zero tolerance to child abuse. We create a child safe and child friendly environment where children feel safe and are free to enjoy life to full without any concern for their safety.

PREAMBLE

The Vision of FCJ College states:

FCJ COLLEGE is a Catholic Educational Community of Companions *living in faith, nurturing with hope, serving with compassion and fostering the unique giftedness of each person, so that they are able to live.....*

For God Always.

At FCJ College, we believe that:

- each member of our community is called to witness the Gospel values of compassion, courage, integrity and hope.
- we nurture, engage and encourage all students, in a safe, respectful and positive environment, to develop their gifts and become the best persons they can
- The dignity of the human person, who is created in the image and likeness of God, is the foundation of Catholic Social Teaching. This Catholic anthropology leads us to afford all people, but especially children, young people and the most vulnerable, the highest respect. Within this context, effective Catholic schools provide a safe, supportive and secure environment that promotes respect and care and values diversity. The mental, physical, spiritual and emotional wellbeing of children and young people are essential preconditions for successful learning. These qualities cannot be developed for individuals in isolation from the health and wellbeing of the school community as a whole.
- We are committed to the creation of a safe, just and respectful environment that supports wellness for all members of the school community. In this, there is a moral obligation and shared responsibility to protect the most vulnerable members of the community.
- While protecting children and young people against sexual abuse is a community wide responsibility, schools have particular moral and legal responsibilities to ensure children and young people are safe in their care and to actively and intentionally work to eliminate all forms of abusive behaviours towards children. There are also particular moral and legal obligations for those in authority to prevent, reduce and minimise child abuse and exploitation in all forms.

PURPOSE

The Failure to Disclose Policy applies to the whole school community in supporting safe environments for all children and young people.

The obligations of 'failure to disclose' are separate from, and in addition to, Mandatory Reporting obligations.

Its purpose concerns the new criminal offence under the Victorian Crimes Act, commencing 27 October 2014, 'failure to disclose, which provides that:

- a. **all adults** who form a reasonable belief that a sexual offence has been committed by an adult against a child under 16 has an obligation to report that information to police. Failure to disclose the information to police is a criminal offence.
- b. an adult will not be guilty of the offence if they have a **reasonable excuse** for not disclosing the information. A reasonable excuse includes:
 - fear for safety,
 - where the information has already been disclosed.

Note: It is a **reasonable excuse** to not disclose where a person believes on reasonable grounds that the information has already been disclosed to police and they have no further information to report; for example, where the person has already made a report under the mandatory reporting obligation specified in the *Children, Youth and Families Act 2005*.

This obligation requires teachers, doctors and other professionals to report concerns about child welfare to child protection authorities within the Department of Health and Human Services (DHHS).

Under the existing mandatory reporting system, DHHS already passes on all allegations of child sexual abuse to police, so it will be a reasonable excuse for not reporting to police if a person has made a report to DHHS or reasonably believes a report has been made to DHHS. This ensures that people are not required to make multiple reports to different agencies.

A person **does not have a reasonable excuse** for failing to disclose sexual abuse if they are only concerned for the perceived interests of the perpetrator or any organisation. 'Perceived interests' includes reputation, legal liability or financial status.

AIMS AND OBJECTIVES

- A safe environment is required to protect children and young people from harm and to prevent staff from abusing their position of authority and trust.
- The child and young person's ongoing safety and wellbeing must be the primary focus of all decision making.
- School leaders and staff must be fully self-aware of, and comply with, their professional obligations and responsibilities.

The commitment to protecting children is embedded in the organisation's culture and responsibility for taking action is understood and accepted at all levels of the organisation

DEFINITIONS

'Child and Young Person' For the purposes of this offence, a child is a person under the age of 16 years. A young person is any person who comes under or may come under the care, supervision or authority of the school.

'Reasonable belief' A 'reasonable belief' is formed if a reasonable person in the same position would have formed the belief on the same grounds. A 'reasonable belief' is not the same as having proof.

'Sexual abuse' Sexual abuse occurs when a person uses power or authority over a child to involve the child in sexual activity and the child's parent or caregiver has not protected the child. Physical force is sometimes involved. Child sexual abuse involves a wide range of sexual activity, including physical activity and/or exposure of the child to pornography.

IMPLEMENTATION

This policy applies to the whole school community in supporting safe environments for all children and young people.

- It applies to all adults in the school community to ensure they understand this responsibility (distinct from that of Mandatory Reporting) in protecting the safety and wellbeing of children and young people under the age of 16 in accordance with the Crimes Act 1958 (Vic).
- This policy and its requirements will be communicated annually to all staff and the wider school community
- This policy and its requirements will be communicated to new staff during induction
- Senior students will be educated of their obligations to disclose once they are over eighteen years of age (Appendix 1 FCJ College Senior Student Failure to Disclose Process/Flow chart/Flyers)
- School staff will be trained in personal safety and the identification of possible sexual abuse
