

Commitment to Child Safety

All students enrolled, and any child visiting FCJ College, have a right to feel safe and be safe.

The wellbeing of children in our care will always be our first priority and we have zero tolerance to child abuse.

We aim to create a child safe and child friendly environment where children feel safe and are free to enjoy life to the full without any concern for their safety.

The Vision of FCJ College

FCJ COLLEGE is a Catholic Educational Community of Companions living in faith, nurturing with hope, serving with compassion and fostering the unique giftedness of each person, so that they are able to live.....For God Always.

A Guide for Parents and Caregivers

FCJ College is committed to providing a safe and supportive environment where everyone is treated with respect, fairness and dignity. We aim to resolve concerns or complaints in a supportive, conciliatory environment. At FCJ College, we acknowledge that parents and caregivers can, at times, feel concerned about their child's education or about something they believe is happening in their child's school.

We wish to ensure that:

- ~ parents and caregivers may register their complaint with **respect** for all parties concerned,
 - ~ we listen and take complaints seriously,
 - ~ we respond to complaints within a reasonable time and in a courteous and efficient way, and
 - ~ we take appropriate action with the full knowledge of all parties concerned.
- “I am not sure whether to express my concern but there is something bothering me.”**
- If you have concerns, you are entitled to raise them and we would encourage you to do so as we are here to help.
- “What should I do first?”**
- ~ Decide whether the problem is a query, a concern or a complaint. **Seek clarification.** This will help in finding a solution.
 - ~ Try to identify the issue clearly. If there is more than one, list them to ensure that the extent of the problem is clear.
 - ~ Communicate your concerns calmly. Even if you don't feel it, being calm will help to get your concerns across more clearly than if you are upset or angry.

“How should I register my concern?”

By telephone

Speak to the person most closely concerned with the issue, as he/she may be able to sort things out quickly. However, you may prefer to direct the matter to a more senior member of staff, for example the Pastoral Leader, Learning Leader or the Deputy Principal.

In writing

As above. Please provide all details including your name, address, email, and contact details.

In person

Contact the College to arrange a mutually convenient time to meet with the appropriate staff member.

“What will happen next?”

If you raise a concern in person or by telephone, it may be possible to resolve the matter immediately and to your satisfaction. If you have made a concern or complaint in writing we will respond to your concerns as soon as is possible.

In many circumstances, the person you contact will need to discuss the matter further with other staff. You may be invited to a meeting with the appropriate staff member. A letter or report may be sent to you following such a meeting summarising the outcomes.

“What happens about confidentiality?”

Your complaint or concern will be treated in a confidential manner and with respect. It is the College's policy that complaints made by parents and caregivers should not rebound adversely on their children.

Occasionally, it may be necessary to make third parties outside the College aware of the complaint and possibly identify those involved. This would only be likely to happen where, for example, a child's safety was at risk or it became necessary to refer the matter to the police. You would be fully informed and involved in such action.

Confidentiality is a major issue in the handling of complaints. Confidentiality shall be maintained at all stages of the complaint procedure with communication limited to those people who need to be informed in order to resolve the complaint.

While information relating to specific complaints will be kept confidentially on file, we would point out that anonymous complaints may not be pursued.

However, if a formal complaint is being made by a parent about a staff member, the staff member has the right to know the details of the complaint and the identity of the person making that complaint.

The Principal handles action taken under staff disciplinary procedures in a confidential manner within the College.

“What if I am not satisfied with the outcome?”

We hope that you will feel satisfied with the outcome, or at least that your concerns have been fully and fairly considered. However it is sometimes necessary for the Principal to administer an outcome for the wellbeing of all parties concerned.
